Information of workshop in brief-

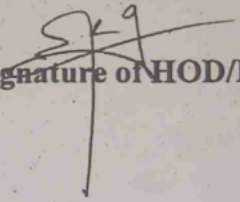

Mr. Kondhadeshmukh , he has more than 10 years 'of experience in drones. He conducted project of ISRO. The skill and techniques shared to the students.

Value addition through workshop -

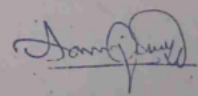

A drone is a flying robot that can be remotely controlled or fly autonomously through software-controlled flight plans. Drones are integrated with embedded systems and work in conjunction with on-board sensors and GPS systems. And building hands-on drone projects is a great way to learn this innovative technology. Students learn those things.

Respected Sir,

With reference to above mentioned subject, Sharadchandra Pawar College of Engineering and Technology is going to arrange One day workshop for BE Mechanical Engineering students on the Subject "Mastercam" will be delivered by Mr. Wavare Amol who is working as a Director, Precise CAD Solutions, Pune. The purpose of workshop is to interact with students. It also covers the content as a part of curriculum mentioned below.

Objectives:

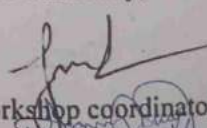

1. Understand the basics and capabilities of Mastercam software.
2. Familiarize with the Mastercam interface and navigation.

Outcomes

1. Ability to proficiently navigate and use Mastercam software for CAD/CAM tasks.
2. Creation and modification of 2D and 3D models.

Kindly permit us to conduct the one day workshop.

Yours Faithfully,

Dear Sir,

As you may be aware, Shri Someshwar Shikshan Prasarak Mandal's, Sharadchandra Pawar College of Engineering & Technology, Someshwarnagar is one of the most reputed Engineering Institutions in Savitribai Phule Pune University and known for its excellent record in academics and co-curricular activities. The College offers Bachelor degree course in Mechanical, Civil, Electrical, and Computer.

We conduct the workshop for our students so as to get interact with the drone technologies and it also covers certain objectives as follows;

Objectives:

1. Understand the basics and capabilities of Mastercam software.
2. Familiarize with the Mastercam interface and navigation.

Outcomes

1. Ability to proficiently navigate and use Mastercam software for CAD/CAM tasks.
2. Creation and modification of 2D and 3D models.

We kindly request you to accept our invitation and guide our students on the "Mastercam" Please convey the date as per your convenience.

Thanking You,

Workshop Record: akses RCBD 2020

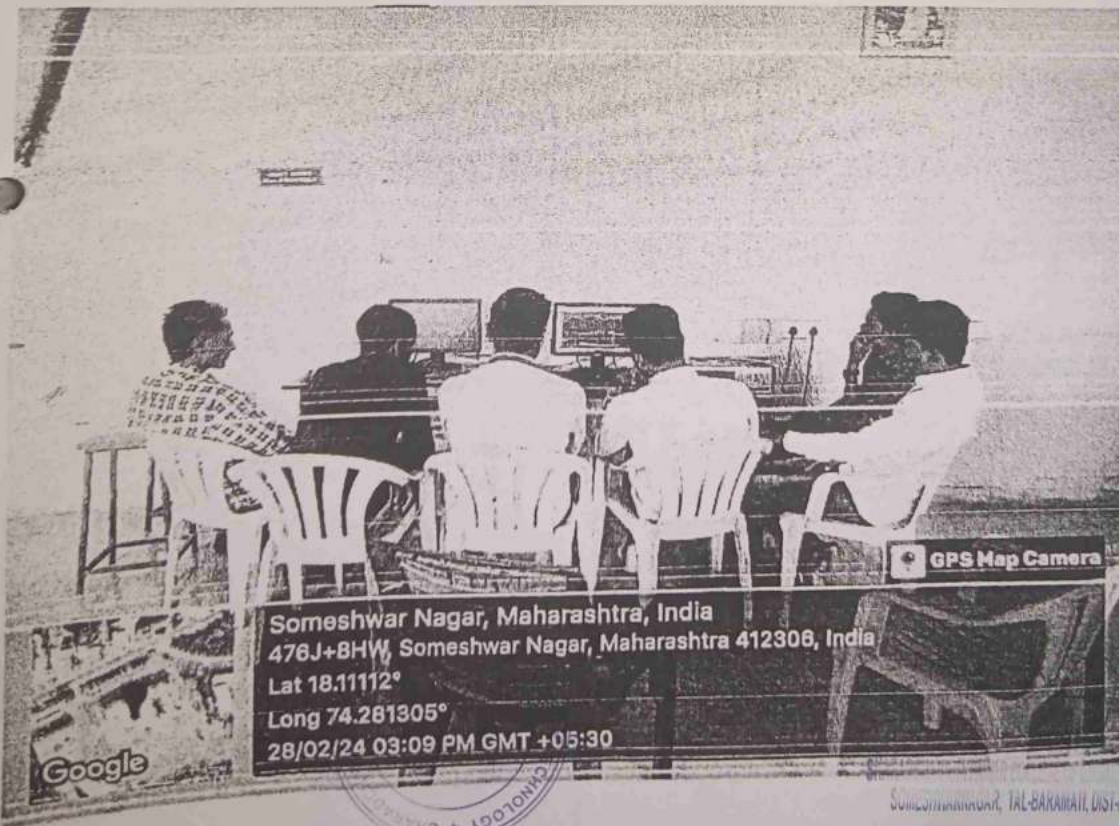

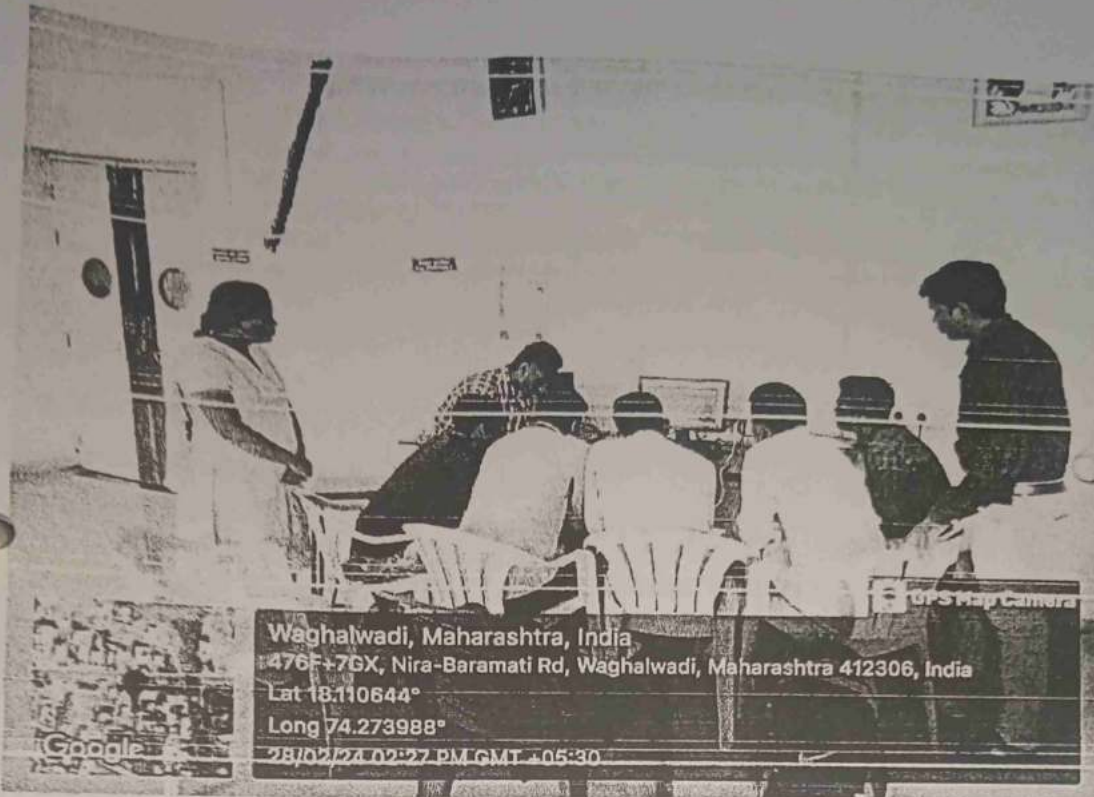

About Workshop: akses RCBD was originally developed by Ajay Kadam as a part of a research done on nonlinear analysis and design of reinforced concrete frames. The software was developed using finite element method and the design part was based on American Concrete Institute's (ACI) Code. Later in 1991 it was modified according to Indian Standard (IS) Code. A number of residential, commercial, institutional and industrial buildings have been designed using this software in the Ajay Kadam Associates' structural design office for last 29 years.

Dear Sir,

Sharadchandra Pawar College of Engineering and Technology Someshwarnagar, established in 2012, is one of the self-financed Engineering colleges approved by AICTE New Delhi, Government of Maharashtra and DTE Mumbai. The institute is affiliated to Savitribai Phule Pune University (SPPU). The institute offers Engineering Courses in Mechanical Engineering, Civil Engineering, Computer Engineering, and Electrical Engineering leading to BE degree as per SPPU University Curriculum.

It gives us a pleasure to invite you as expert and speaker to our Civil Engineering students on **Workshop on QGIS (Remote Sensing & Geographic Information System)**. Your experience and expertise in this subject would enable our students to gain knowledge.

The proposed date for workshop will be on **16-04-2024 & 18-04-2024** and session will start from **10.00 am** onwards. Hence you are requested to accept our invitation and convey our coordinator for the same.

Title	CAREER COUNSELING PROGRAMME
Venue	SPCOET Someshwarnagar
Date	07 July 2023
Time	9.30 to 11.00m

CONCEPTION OF THE PROGRAMME:

Career counseling is a systematic process that helps an individual understand one's self, as well as the world of work, to choose the right career. It is the process of helping students and professionals to analyze their strengths, interests, abilities and skills. The decision of one's career is one of the most crucial decisions of our lives. Sometimes, students end up making this decision on the basis of inadequate knowledge, and maybe societal pressure. Such decisions may often direct them into careers that are unsuited for them, and thereby lead to stress and dissatisfaction.

Therefore, it's very important to make an informed decision about one's career choices. Getting proper guidance from trained career counsellor can help us set long-term career goals, and also find the pathway to achieve them. During the programme Renowned speaker **Mr. Onkar Hegade**, Police Sub-Inspector was speaking on topics Civil Service as a Profession, Self Motivation and Time Management to be Successful.

• **OBJECTIVES:**

A. Career Counseling Programme aims to provide individuals with the tools, information, and resources needed for self exploration, Goal setting and planning, personal and professional growth, Decision making and adaptability.

B. Career counselors facilitate self-assessment by identifying an individual's interests, values, skills, personality traits, and motivations. This self-exploration process enables individuals to gain clarity about their strengths, weaknesses, and areas of passion, which in turn guides their career.

Career counseling can assist in aligning your educational pursuits with your career goals. By discussing your aspirations, skills, and interests, a counselor can help you identify programs and degrees that best support your desired career path.

D. Career counseling guides working professionals in enhancing skills, knowledge, and exploring growth opportunities within their current or different fields.
