## Celebration of Swami Vivekananda Jayanti

Date :-12/01/2024

### Objectives of the programs:

To inspire and motivate the youth, disseminating the ideals propagated by Swami Vivekananda to contribute towards creating a more promising future for the country.

### Description of Programs:

Fill the brain with high thoughts, highest ideals, place them day and night before you and out of that will come great work – Swami Vivekananda. To commemorate the birth anniversary of Swami Vivekananda, maker of modern India, National Youth day is celebrated with great enthusiasm every year in India. The 157th Birth anniversary of Swami Vivekananda is celebrated all over the country giving a message to the youth the way of life and ideals that will make India better country in future.

sharadchandra pawar college of engineering and technology observed the National Youth day with primary aim of sensitizing the students about the philosophies, principles and ideas of Swami Vivekananda. The students were motivated to be good citizens of India, thus contributing to the development of the country. The programmed was commenced with the garlanding of Swamiji's portrait by Principal Dr. Sanjay Deokar sir, all teaching and non-teaching staff. A short speech was delivered by professor Attar K.C. in which he threw light on the life of Swami Vivekananda. Giving reference of world famous Chicago conference, he said that Vivekananda was the only saint who is perceived as vishwaguru. Vivekananda addressed the Chicago conference with such humble words "My sisters and brothers of America" that it touched the soul of all present there in Chicago. Vivekananda's life is full of values and inspiration which motivate every person who has read his books. The younger generation instead of spending their quality time on unwanted things, should make their life more meaningful by studying Vivekananda and treading the path shown by him. The inspiring stories of Swami Vivekananda made the session more captivating.

## Celebration of Rajmata Jijau Jayanti

Date :-12/01/2024

### Objectives of The Programs:

History always remembers the significance of man but there were many women who left such an impact on history that even today their praise is sung, bravery is remembered. One such magnificent person of women's valour was Jijamata.

### Description of Programs:

The day is celebrated as a grand occasion in the regions of Maharashtra as well as in various other parts of the country. Our SPCOET college observed the Birth Anniversary of Jijamata in the honour of the great lady for her contribution to the life of her son, Chhatrapati Shivaji Maharaj. She was the source of information and motivation not only for her son but for the whole Maratha Empire and our country. The foundation of an independent Hindu nation was created by her son Shivaji Maharaj who made the dream come true. She was a daughter of a noble of Ahmednagar, Lakhoji Jadhav. Jijabai was born to Lakhojiraje Jadhav in Sindkhed territory of Vidharbh, Maharashtra in the year 1598 A.D. She was affectionately called as „Jijau“. Lakhojiraje Yadav was a Yadava, traditionally the rules of Devgiri. So, Jijau was actually the princess of Devgiri. She married to ShahajiBhosale at very early age. Jijabai taught her son stories of bravery from ancient scriptures. She gave importance to martial art, to equip him for the role she nurtured Shivaji to play.

Program started with a garlanding and candle lightening to the photograph of Rajmata Jijau by principal Dr. Sanjay Deokar sir., all faculty members and students. Dr. Gawade sir our vice principal delivered a short speech, explaining the audience about the teachings of Jijamata who nurtured her son to become The Great Shivaji Maharaj from young Shivba. She was the guiding force that inspired to fight the kingdom of Bijapur and Mughal domination for establishing the Maratha sovereignty. Jijabai's life is a symbol of ideal motherhood. The program echoed with the slogans of jay jijau. Jijabai's journey is an example of how a mother can not only transform the fate of the society but also the fate of the nation.

Resume writing Guest Lecture Report**

**Event Title:** Resume writing Guest Lecture for students of Degree & Diploma Engineering, MBA, and Science.

**Date:** 12<sup>th</sup> January 2024

**Venue:** Seminar hall, Sharadchandra Pawar College of Engineering and Technology, Someshwarnagar

**Time:** 12.00 PM to 2.00 PM

**Organized by:** Shri. Someshwar Shikshan Prasarak Mandal's, Sharadchandra Pawar Group of Institutes

**Introduction:**

A guest lecture on resume writing was held at SSPM,s SPCOET, Someshwarnagar, aimed at equipping students with the essential skills needed to create effective resumes. The session was organized by the college's Career Development Cell and featured Mr. Tushar Shende Sir who is TPO of Arvind Gavali College Of Engineering, Satara with extensive knowledge in recruitment and career counseling.

**Objective of the Lecture**

The primary objective of the lecture was to guide students in understanding the importance of a well-crafted resume in today's competitive job market. The speaker emphasized that a resume is not just a summary of one's education and experience but a marketing tool that showcases a candidate's strengths and unique value proposition to potential employers.

**Key Highlights of the Session**

**1. Understanding the Basics of Resume Writing**

- The lecture began with an overview of the fundamental components of a resume, including contact information, objective statement, education, experience, skills, and additional sections like certifications and extracurricular activities.
- The speaker stressed the importance of tailoring each resume to match the job description, highlighting relevant skills and experiences.

**2. Types of Resumes**

- Different formats of resumes—chronological, functional, and combination—were discussed. The speaker illustrated when to use each format based on individual circumstances, such as work history and the type of job being applied for.

**3. Common Mistakes to Avoid**

- The speaker shared common pitfalls in resume writing, such as *grammatical errors, excessive jargon, and including irrelevant information*. The importance of proofreading and seeking feedback from peers or mentors was also emphasized.

**4. Creating a Powerful Objective Statement**

- Attendees learned how to craft a compelling objective statement that clearly communicates their career goals and what they bring to the table. The speaker provided examples of effective statements and encouraged students to personalize theirs.

**5. Highlighting Achievements**

- The session highlighted the significance of quantifying achievements. The speaker provided strategies for articulating accomplishments using action verbs and specific metrics to demonstrate impact.

**6. Design and Formatting Tips**

- Visual appeal was addressed, with the speaker recommending *clean, professional formatting and appropriate use of whitespace*. The importance of consistency in font and style was also discussed to enhance readability.

**7. Leveraging Online Platforms**

- The role of online platforms, particularly LinkedIn, was discussed as a complementary tool to traditional resumes. Students were encouraged to maintain an updated online profile and connect it with their resume.

**Interactive Session**

The lecture included a Q&A segment where students engaged with the speaker, asking questions about specific challenges they faced while creating their resumes. The interactive nature of this segment provided valuable insights and personalized advice, fostering a deeper understanding of the resume writing process.

**Recommendations**

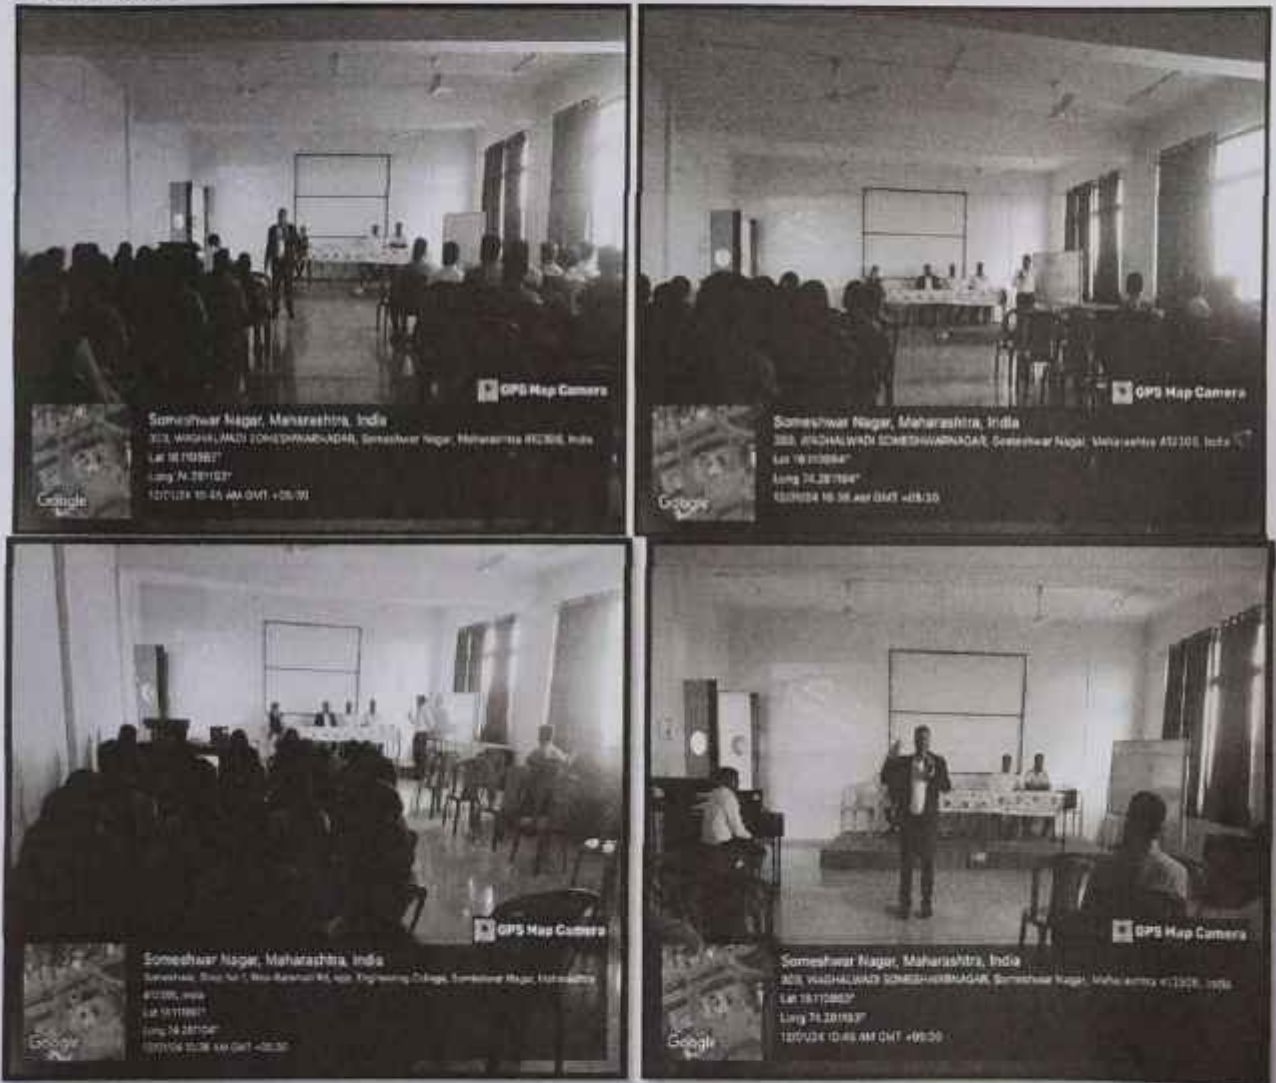

1. **Follow-Up Workshops:** Conduct hands-on workshops where students can work on their resumes and receive real-time feedback.
2. **Resume Review Sessions:** Establish a system for peer-to-peer reviews to promote collaborative learning and improvement.
3. **Career Guidance Programs:** Organize additional guest lectures focusing on interview preparation and personal branding to complement the resume writing session.

This lecture has set a strong foundation for students at SSPM's SPCOET to develop their career prospects, and ongoing support from the college will be crucial in their professional development.

**Conclusion**

The guest lecture on resume writing at SSPM SPCOET was an informative and engaging session that provided students with practical tools and strategies to enhance their resume writing skills. The insights shared by Mr. Tushar Shende Sir will undoubtedly aid students in presenting themselves effectively to future employers. The Career Development Cell plans to conduct more workshops to continue supporting students in their career readiness journey.

**MPSC Guidance Guest Lecture Report**

**Event Title:** MPSC Guidance Guest Lecture for students of Degree, MBA, Science.

**Date:** 1<sup>st</sup> & 6<sup>th</sup> February 2024

**Venue:** Seminar hall, Sharadchandra Pawar College of Engineering and Technology, Someshwarnagar

**Time:** 11.00 PM to 2.00 PM

**Organized by:** Shri. Someshwar Shikshan Prasarak Mandal's, Sharadchandra Pawar Group of Institutes

**Introduction:**

SSPM, Someshwarnagar, hosted a guest lecture focused on guiding graduation students in their preparation for the Maharashtra Public Service Commission (MPSC) examinations. The event aimed to equip students with essential knowledge and strategies needed to navigate the competitive landscape of civil services. The session featured Mr. Ganesh Sawant, a well-respected mentor with extensive experience in MPSC coaching.

**Objective of the Lecture**

The primary objective of the guest lecture was to provide graduating students with comprehensive insights into the MPSC examination process, effective study techniques, and the necessary skills to succeed. The seminar sought to inspire and prepare students for a career in public service, emphasizing the significance of systematic preparation.

**Key Highlights of the Lecture**

**1. Understanding the MPSC Examination Structure**

- The session commenced with a detailed overview of the MPSC examination framework, including the three key stages: Preliminary, Mains, and Interview. The speaker explained the subjects involved, marking patterns, and the weightage of each component, helping students understand the overall process.

**2. Effective Preparation Strategies**

- The speaker outlined crucial strategies for effective exam preparation, including:
  - **Creating a Study Plan:** Emphasizing the importance of a structured timetable, the speaker encouraged students to set realistic goals and allocate specific time slots for each subject.
  - **Resource Identification:** Guidance was provided on selecting appropriate study materials, including books, online courses, and reputable coaching centers.

**3. Current Affairs and General Knowledge**

- A significant focus was placed on the necessity of staying updated with current affairs. The speaker recommended various newspapers, magazines, and online resources to help students build a habit of regular reading, which is essential for both the Preliminary and Mains examinations.

**4. Mock Tests and Self-Evaluation**

- The importance of taking mock tests was highlighted, with the speaker advising students to regularly assess their knowledge through practice exams. Mock tests serve as a crucial tool for identifying strengths and weaknesses, thereby guiding students to focus their efforts effectively.

**5. Answer Writing Techniques**

- The session included valuable insights into the art of answer writing for the Mains examination. The speaker discussed the significance of clarity, structure, and relevance in answers, along with tips on managing time during the exam to ensure comprehensive responses.

**6. Building a Positive Mindset**

- Recognizing the mental challenges associated with competitive exam preparation, the speaker emphasized the need for maintaining a positive mindset. Techniques for stress management and motivation were shared, encouraging students to stay focused on their goals and practice self-care.

**7. Interactive Q&A Session**

- The lecture concluded with an interactive Q&A session, where students had the opportunity to ask questions related to their individual concerns and challenges. The speaker provided tailored advice, addressing specific queries about study strategies, resource selection, and exam preparation.

**Recommendations**

1. **Follow-Up Workshops:** Organize follow-up workshops focusing on specific subjects and skills relevant to the MPSC exams, such as essay writing, interview techniques, and subject-specific strategies.
2. **Study Groups:** Encourage the formation of study groups to promote collaborative learning and peer support among students preparing for the MPSC examinations.

3. **Guest Speaker Series:** Continue inviting experienced professionals and successful candidates to share their insights and experiences, providing students with diverse perspectives on effective preparation strategies. By implementing these recommendations, SSPM can further enhance the academic and professional prospects of its students, supporting them in their journey towards successful careers in public service.

**Conclusion**

The MPSC Guidance Guest Lecture at SSPM was a highly informative and motivating session that empowered graduating students with the necessary tools to prepare for civil services examinations. The insights shared by Mr. Ganesh Sawant Sir were invaluable, providing a clear roadmap for students to enhance their preparation efforts. The college's initiative to host such lectures demonstrates its commitment to fostering student success and career readiness.

**Event Title:** Personality & Interview Skill Development Guest Lecture for Appear & Passout students of Degree & Diploma Engineering, MBA, Science.

**Date:** 1<sup>st</sup> March 2024

**Venue:** Seminar hall, Sharadchandra Pawar College of Engineering and Technology, Someshwarnagar

**Time:** 02.00 PM to 04.00 PM

**Organized by:** Shri. Someshwar Shikshan Prasarak Mandal's, Sharadchandra Pawar Group of Institutes

**Introduction:**

The guest lecture on Personality & Interview Skill Development provided students with valuable insights into the skills necessary for career advancement. It aimed to equip participants with techniques to build a strong personal brand and navigate interviews successfully. The session was particularly beneficial for students and professionals seeking to enhance their employability in competitive job markets. Total 156 nos. of students from MBA, Degree, Diploma and Science were involved.

**Event Highlights**

**1. Understanding Personality Development:**

- The speaker emphasized the importance of a well-rounded personality in professional success. Personality development encompasses confidence building, self-awareness, communication skills, and emotional intelligence.
- Various personality types and their impacts on professional behaviour were discussed, helping participants understand how to leverage their strengths in workplace environments.

**2. Importance of Self-Confidence and Self-Image:**

- Confidence is a key aspect of personality that can make a significant difference during interviews. The speaker shared tips on improving self-confidence, such as maintaining a positive mindset, practicing affirmations, and developing a proactive approach to challenges.
- Building a positive self-image was highlighted as essential for both personal and professional growth.

**3. Effective Communication Skills:**

- Communication is crucial not only in interviews but also in everyday interactions. The lecture covered both verbal and non-verbal communication techniques that enhance how one presents themselves.
- Participants learned about body language, tone of voice, and other non-verbal cues that play a role in creating strong first impressions.

**4. Interview Preparation Techniques:**

- The speaker outlined various strategies to prepare for interviews, including researching the company, understanding the job role, and practicing commonly asked questions.
- Emphasis was placed on the STAR (Situation, Task, Action, Result) method for answering behavioural questions, which helps candidates structure their responses effectively.

**5. Mock Interview Sessions and Role-Playing:**

- Interactive mock interview sessions allowed participants to practice their newly learned skills in real-time, receiving constructive feedback from the speaker.
- Role-playing exercises helped attendees familiarize themselves with different interview scenarios, such as group discussions, technical interviews, and HR rounds.

**Key Takeaways:**

- **Confidence and Preparation are Essential:** Proper preparation and confidence can significantly impact interview performance.
- **Self-Awareness and Growth:** Understanding one's strengths and areas for improvement is the foundation of personality development.
- **Continual Practice:** Regularly practicing interview scenarios and communication skills leads to lasting improvement.

**Conclusion:**

The guest lecture on Personality & Interview Skill Development was an informative and engaging session, providing participants with practical knowledge and tools to enhance their personality and interview skills. The interactive elements, such as mock interviews and role-playing exercises, were particularly beneficial, allowing participants to apply the concepts in real-time. Overall, this session has prepared students and professionals to make a positive impression and succeed in their career pursuits.

Interview Techniques Guest Lecture Report**

**Event Title:** Interview Techniques Guest Lecture for students of Degree Engineering

**Date:** 13<sup>th</sup> March 2024

**Venue:** Seminar hall, Sharadchandra Pawar College of Engineering and Technology, Someshwarnagar

**Time:** 9.00 AM to 11.00 AM

**Organized by:** Shri. Someshwar Shikshan Prasarak Mandal's, Sharadchandra Pawar Group of Institutes

**Introduction:**

SSPM's SPCOET, Someshwarnagar, organized a guest lecture on interview techniques, featuring Mr. Abhishek Galinde, a seasoned HR professional and career coach. The session was aimed at equipping students with the skills and confidence necessary to excel in job interviews, an essential component of the job application process.

**Objective of the Lecture**

The primary objective of the lecture was to provide students with practical insights and strategies to enhance their interview performance. Mr. Galinde aimed to demystify the interview process, enabling students to present themselves effectively and make a positive impression on potential employers.

**Key Highlights of the Lecture**

**1. Understanding the Interview Process**

- Mr. Galinde began by outlining the various types of interviews, including traditional, behavioral, and technical interviews. He explained the purpose of each type and how students could prepare differently based on the interview format.

**2. Preparation Strategies**

- The speaker emphasized the importance of thorough preparation. Key strategies discussed included:
  - **Researching the Company:** Understanding the company's values, culture, and recent developments is crucial. Mr. Galinde recommended reviewing the company's website, social media, and news articles to gather relevant information.
  - **Understanding Job Descriptions:** Students were advised to analyze job descriptions closely, aligning their skills and experiences with the requirements outlined in the postings.

**3. Common Interview Questions**

- The session covered frequently asked interview questions, such as "Tell me about yourself," "What are your strengths and weaknesses?" and situational questions. Mr. Galinde provided a framework for crafting effective responses, encouraging students to use the STAR method (Situation, Task, Action, Result) to structure their answers.

**4. Body Language and Communication Skills**

- Mr. Galinde highlighted the importance of non-verbal communication, such as body language, eye contact, and posture. He demonstrated how confident body language can significantly impact the interviewer's perception. Tips were provided on maintaining a positive demeanor, using gestures appropriately, and actively listening during the interview.

**5. Mock Interviews**

- To give students a practical understanding, the speaker conducted mock interviews with selected participants. This interactive segment allowed students to apply what they learned in real-time, receiving immediate feedback on their performance. Mr. Galinde pointed out areas for improvement and praised effective techniques used by the participants.

**6. Handling Difficult Questions**

- The lecture included strategies for addressing challenging questions or scenarios during an interview. Mr. Galinde encouraged students to remain calm, take a moment to think before responding, and approach difficult questions with honesty and a positive outlook.

**7. Post-Interview Etiquette**

- The importance of following up after an interview was discussed, including sending thank-you emails to express gratitude for the opportunity. Mr. Galinde emphasized that this practice reflects professionalism and can leave a lasting impression.

### Interactive Q&A Session

The lecture concluded with an engaging Q&A session, where students had the opportunity to ask questions about specific challenges they faced during interviews. Mr. Galinde provided personalized advice, addressing concerns about anxiety, interview preparation, and techniques for different industries.

### Recommendations

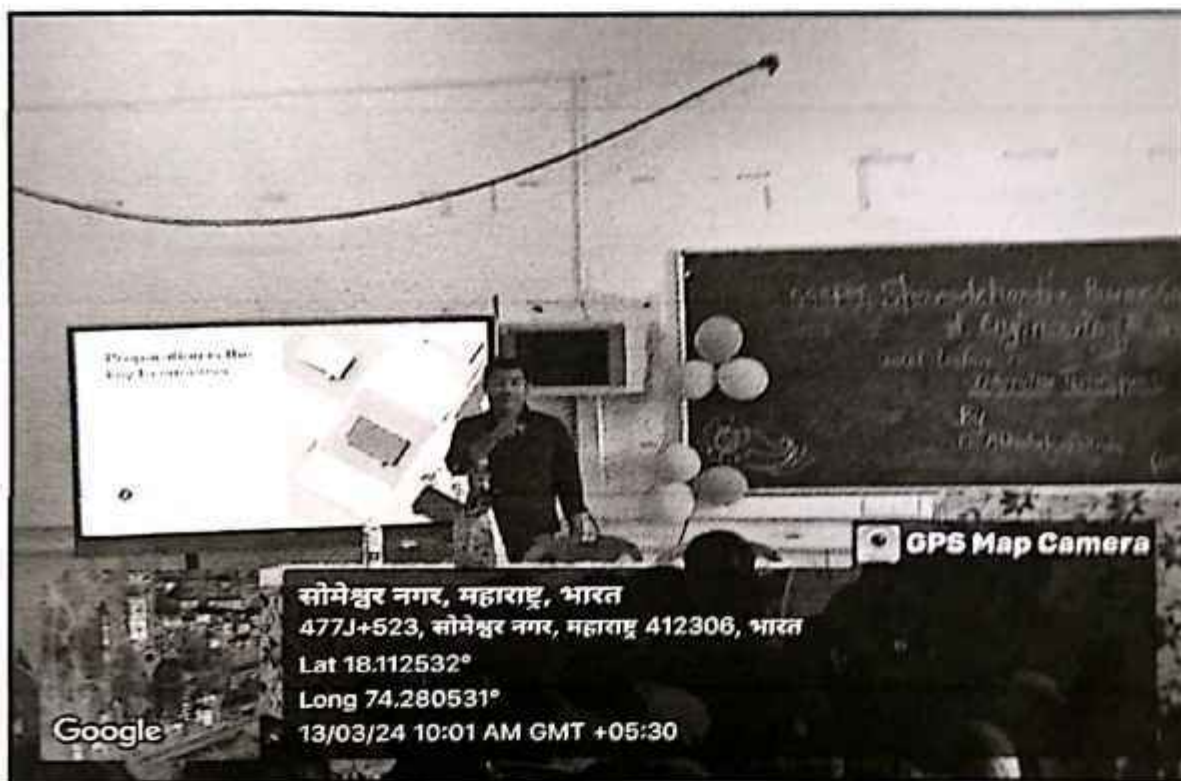

1. **Follow-Up Workshops:** Organize additional workshops focused on specific aspects of the interview process, such as technical interviews, group discussions, and role-playing scenarios.
2. **Interview Preparation Resources:** Create a resource center with materials on interview techniques, common questions, and tips for various industries to support students in their preparation efforts.
3. **Guest Speaker Series:** Continue to invite industry professionals and career coaches to share insights and experiences, providing students with diverse perspectives on successful interview strategies.

By implementing these recommendations, SSPM's SPCOET can further enhance the career readiness of its students, helping them to navigate the complexities of job interviews with confidence and competence.

### Conclusion

The guest lecture on interview techniques by Mr. Abhishek Galinde at SSPM's SPCOET was an invaluable learning experience for students. The practical insights and strategies shared during the session will undoubtedly help students enhance their interview skills and build confidence as they prepare to enter the job market. The college's initiative to host such events demonstrates its commitment to fostering student readiness for professional challenges.
