REPORT On "CAREER COUNSELING PROGRAMME "

Report Prepared By: Mrs. Shinde P.S Assistant Professor, SPCOET, Baramati, Pune

• **EVENT DETAILS:**

Title	CAREER COUNSELING PROGRAMME
Venue	SPCOET Someshwarnagar
Date	07 July 2023
Time	9.30 to 11.00m

CONCEPTION OF THE PROGRAMME:

Career counseling is a systematic process that helps an individual understand one's self, as well as the world of work, to choose the right career. It is the process of helping students and professionals to analyze their strengths, interests, abilities and skills. The decision of one's career is one of the most crucial decisions of our lives. Sometimes, students end up making this decision on the basis of inadequate knowledge, and maybe societal pressure. Such decisions may often direct them into careers that are unsuited for them, and thereby lead to stress and dissatisfaction.

Therefore, it's very important to make an informed decision about one's career choices. Getting proper guidance from trained career counsellor can help us set long-term career goals, and also find the pathway to achieve them. During the programme Renowned speaker **Mr. Onkar Hegade**, Police Sub Inspector was speaking on topics Civil Service as a Profession , Self Motivation and Time Management to be Successful.

• **OBJECTIVES:**

- A. Career Counseling Programme aims to provide individuals with the tools, information, and resources needed for self exploration, Goal setting and planning, personal and professional growth, Decision making and adaptability.
- B. Career counselors facilitate self-assessment by identifying an individual's interests, values, skills, personality traits, and motivations. This self-exploration process enables individuals to gain clarity about their strengths, weaknesses, and areas of passion, which in turn guides their career.
- C. Career counseling can assist in aligning your educational pursuits with your career goals. By discussing your aspirations, skills, and interests, a counselor can help you identify programs and degrees that best support your desired career path.
- D. Career counseling guides working professionals in enhancing skills, knowledge, and exploring growth opportunities within their current or different fields.

• **Audience:**

Most of the students and faculty members of SPCOET.

Shri Someshwar Shikshan Prasarak Mandal's

Sub: Invitation for the guest lecture on competitive examinations

Respected Sir,

Shri Someshwar Shikshan Prasarak Mandal's SPCOET, Someshwarnagar is one of the reputed engineering institutions in rural area in Savitribai Phule Pune University and known for its excellent record in academics and co-curricular activities.

It gives me pleasure to invite you as guest for our students for **Guest Lecture on competitive examinations**. Your experience and expertise in this area would enable our students to gain knowledge.

The proposed dates for guest lecture conducted by you will be **7th July 2023** and session will start from 9.30 am onwards. Hence you are requested to accept our invitation and convey our coordinator for same.

Thanking you in anticipation.

Yours Faithfully,

Principal

Sub: Vote of Thanks...

Respected Sir/Mam,

On the behalf of Shri someshwar shikshan prasarak mandal's SPCOET, Someshwarnagar,
We wish to thank you for the valuable guidance given to our students about **Competitive Examinations** dated 7th July 2023. From the feedback we have received, the students were satisfied and it was a great success.

We appreciate the time you took out of your busy schedule to join us and thank you for sharing your insight and experiences with our students and Staff. We do expect your guidance in future also.

Thanking you for your time and effort.

Hegade onkar Dattatray

Guest Lecture Report

Name and organization of Guest speaker- Mr. Nitin Mohalakar, Manager, CAD/CAM
Guru, Baramati

Date of Guest Lecture- 18-05-2023

Staff Coordinator- Prof. Pondkule S.M.

Objectives- This lecture will be helpful to students in understanding:

3. Provide a clear roadmap for the design engineer
4. An ability to identify, formulate, and solve complex engineering problems.

Outcome of Guest lecture

3. Students will be Understand the design thinking process.
4. Student will be Identify needs and constraints of product development system

Shri. Someshwar Shikshan Prasarak Mandal's
Sharadchandra Pawar College of Engineering and Technology,
Someshwarnagar
Department of Mechanical Engineering

Information of Guest lecture in brief- Mechanical design is a critical aspect of engineering and product development, and it plays a vital role in various industries. For students interested in mechanical design, here's some introductory information: What is Mechanical Design, Key Elements, Software Tools, Career Opportunities, Skills Require, Education and Learning.

Value addition through Guest lecture - Mechanical design is an exciting and dynamic field that offers numerous opportunities for students to apply their creativity and technical skills to solve real-world problems. Whether you're interested in designing consumer products, machinery, or complex systems, the principles of mechanical design are essential to bring innovative ideas to life.

Sub: Invitation letter to conduct the guest lecture.

Dear Sir,

As you may be aware, Shri Someshwar Shikshan Prasarak Mandal's, Sharadchandra Pawar College of Engineering & Technology, Someshwarnagar is one of the most reputed Engineering Institutions in Savitribai Phule Pune University and known for its excellent record in academics and co-curricular activities. The College offers Bachelor degree course in Mechanical, Civil, Electrical, and Computer (Engineering).

We conduct the guest lectures for our students so as to get interact with the Opportunities as a Design Engineer and it also covers certain objectives as follows;

Objectives:

1. It helps to verify the precision of the provided facts and data by the candidate
2. The interview helps to obtain additional information about the skills and knowledge of the interviewee.

Outcomes:

1. Students will be offered the jobs.
2. Student will be getting jobs in prospective company.

We kindly request you to accept our invitation and guide our students on the topic "Interview Techniques" Please convey the date as per your convenience.

Thanking You,

forwarded to
