2. Safety and Security

- As a women's college, SPCOET Someshwarnagar takes responsibility for providing a safe space for its students to learn and grow.
- SPCOET Someshwarnagar has strict round the clock security of high standards at the college gate to create a safe campus.
- Well trained guards are employed by the college on a 24 hour roster. The security guards at the gate, stationed two at a time, check the IDs of everyone entering the campus.

- While the college has a total of five gates, only one is used for regular passage with security guards manning the gates at all times. The other four gates remain locked, except on special occasions and with monitoring.
- The high walls of the campus also prevent the trespassers from entering the college premises.
- The safety and security of students is a priority at SPCOET during events and fests when the outsiders are also invited to the college campus.
- Apart from the presence of Someshwar police personnel, the security guards, the college teaching and non-teaching staff volunteers along with a large number of student volunteers shoulder the responsibility of security on fest days to ensure a safe college campus.
- Our well attended fests have been conducted without any untoward incidents, encouraging both parents and students to feel comfortable in participating and enjoying all events that extend late into the evening.
- Not only is SPCOET committed to women's safety within the college campus, we are also engaged in making our community and neighbourhood safe for all women.

- For the security purpose we have setting cameras on different different location.

2.COMMON ROOMS

- Both the common rooms are of sizable capacity and open on two sides. These well- ventilated spaces can accommodate a large number of students.
