Ok

To complete syllabus of subject well

Not giving the proper guidance

1)Assign Well Experienced Teaching Staff 2)Organize Social Activisties 3) Improve Green Environment

Very bad

No proper guidance

If possible teach in English language

Need to Good teaching staff

Good teaching staff

Nice learning

1)Should use ICT tools to teach 2) Teacher interaction should be more

To be more understanding

Less communication,less interaction, less encourage

No any suggestions

No any suggestions

1.Present information in different ways: Make lessons available in different formats, such as transcripts. 2.Establish goals and monitor progress: Set clear expectations and rules, and monitor student progress. 2.Give positive feedback: Praise students when they try new methods and make plans.

Provide only imp study material for working student..

Excellent experience throughout we are learning

There is no need

I am not suggesting

Communication between teacher and student when they are teach. 2). Plz provide effective and efficient pc and tools for performing practicals.

1) Use better graphics and visual media to engage students well. ... 2) Try to reach every student and ask for their doubts. ... 3) Make teaching a two way interaction.

1.Trees should be planted on the ground 2. For children who want ground

1.use better graphics 2.give motivation 3.

Practical knowledge should be more rather than theoretical

Teachers are communicating with students and solve there queries

1. Only one language interaction with the students( not two languages mix) 2. Use Different and little easy methods while teaching 3. Helping students with internal marks

Help students for term work marks

1- Real world based project ,2 - placement,3- provide the computer

providing the placement

1 provide the practical equipment in good state , 2 placement of company prepare the interview for student , 3 visit are electrical company

Revision

Excellent

Give practicals live example start teaching on projector or big screen for better understanding

Repair old computers and improve teaching skills

1)Putting on a projector 2) improve a campus 3)

No any suggestion for overall learning ,which I have experienced in my year of graduation.

Teachers should have experience for teaching

To increase the quality of teaching

Make the class more interactive and happenening and make some other curricular activities in clg campus make club in clg for more studnet involvement in clg for better clg development of student personal growth

Not at all

Communication skills, good interaction should be between teachers and students

Communication skills, viva tests and some new requirements for confidence, improvement for students.

1.Projector are get used while teaching 2.experience is good 👍

Communication in English is necessary to improve communication skills so there should be one communication lecture

1.Change teaching pattern 2. More practical learning 3. Using various tools for teaching

Provide better faculty to teach, provide experiment demo's, improve communication skills for students

Communication skills
